Good morning!

"Type ready" means that you can enter data on the computer tablet. I'm no techie, so I had them explain it to me in layman's terms! ☺

In a nutshell, just like they are now entering data/answering questions/completing coursework on sheets of paper, the electronic conversion will enable offenders to type data/answer questions/complete coursework electronically on the tablet.

I hope this helps. If additional information or explanation is needed, please let me know. I can be reached by phone at (614) 995-0636.

Have a great day!

Brianna,

As a follow up to our phone call, here is the information you requested:

The fee we charge depends on the seminar. We generally ask participants to pay half the tuition cost.

Trial School is a 5.5 day intense skills-based seminar that costs \$1500 per person, so we ask participants to pay \$750.00 toward the cost. The trial school provides 38.5 hours of CLE per participant. The trial school is not traditional lecture-style training. It is a skills-based program where attorneys bring a real case to the training and work the case in a mock trial environment with their peers and instructors.

We intend to use most, if not all of the money from this request to support another Trial School in June 2017. \$26,000 will buy 17 seats, each receiving 38.5 hours of CLE, so the total CLE purchased by this request will be 654.5 hours of CLE.

We also charge some nominal fees for other seminars.

The Juvenile Defender Leadership Summit is and was \$100 per person, so we asked participants to pay \$50 per person. Each participant gets 6 hours of CLE.

We recorded the Juvenile Defender Leadership Summit to allow video replay attendance. To attend the video replay, we charge \$35.00 per person.

Let me know if you have any other questions before today's meeting.

I just received a call from ODNR in regards to the contingency amount. That is right at 10% of the job and is for unforeseen ground work. Most of their jobs they use about 3 to 5% of the contingency and if not used, it is saved. I am okay with this one. Thanks for having them reach out.

Brianna,

Happy to answer Rep. Ruhl's questions. I just called the office but will provide a explanation here. Feel free to email or call if I can but of further help.

Staff that are trained are individuals who provide service coordination and provide EI services. So these are PTs, speech therapist, etc in counties who provide those services in the home. They are trained on best practices and given follow-up training and feedback for 6 months.

Since 2010, (including this request) 77 of the 88 counties will have been trained. This request is to add an additional 5 counties to a training that was already in the works.

**RE:** Request for Co-Sponsorship – Paid Parental Leave

---

I will soon reintroduce legislation to create the Family and Medical Leave Insurance Program. Beginning in 2020, the program will provide 12 weeks of family and medical leave benefits, which will permit individuals to care for a family member, bond with a new child, or address their own serious health condition.

Out of 178 countries worldwide, the United States is one of three that does not provide paid leave to new mothers. Only two states, California and New Jersey, offer paid leave to men and women who provide care. The federal Family Medical Leave Act provides 12 weeks of leave for family and medical reasons. This time is unpaid and employers with fewer than 50 employees are exempt, which eliminates a large segment of workers. Ohio should lead on the issue of paid leave to grow our economy and allow working people to put family first.

The program will be under the purview of the Department of Job and Family Services. An individual would receive leave insurance benefits for: a health condition which makes him/her unable to perform their job duties; caring for a new child during after birth, adoption, or foster care placement; caring for a child, parent, or spouse who has a serious health condition; or the individual is taking any other leave as authorized by the federal Family and Medical Leave Act. In order to be eligible for program benefits, an individual must file a claim with ODJFS; must have worked at least 680 hours during the base period; premiums

have been withheld and remitted for at least one year; and the leave must be for the above-mentioned purposes.

Once established, program benefits will be paid by assessing premiums on employees. Employers will be required to deduct and withhold premiums from employee's wages. However, an employer may opt to pay the contributions on behalf of employees.

An employee who is covered by an employer policy or collective bargaining agreement that provides the employee with greater leave than that provided by the Family and Medical Leave Act may elect not to participate in the Program in accordance with rules adopted by the Director. An employee who elects to opt out of participating in the Program is not liable for any premium or contribution that would otherwise be due under the Program.

Working people in Ohio should not have to worry about losing their job or falling behind financially just to take care of a sick child or relative; address their own serious health condition; or care for and bond with their newborn child. Ohio cities like Dayton and Cincinnati are leading on leave. By allowing working people to put their family first, we can truly make Ohio a better place to live, work, and raise a family.

**MEMORANDUM**

**To:** GOP House Members  
**From:** Representative John Becker  
**Date:** January 13, 2017  
**RE:** Co-Sponsor Request: Public Sector Right-to-Work

I will soon be reintroducing a public sector right-to-work bill. This bill was previously introduced in the 131<sup>st</sup> General Assembly as HB 583.

There is a national trend of states moving to implement right-to-work laws. With Kentucky being the 27<sup>th</sup> state to continue that trend, it's time Ohio steps up to the plate. All of Ohio's neighboring states, with the exception of Pennsylvania, have right-to-work laws on the books.

This legislation:

- Provides public sector workers the choice to opt out of union representation and dues.
- Allows non-union employees to voluntarily make financial contributions to a union.
- Protects unions from the requirement of representing non-union employees.
- Appropriates \$30,000 in fiscal year 17 for pamphlets and brochures.

If you would like to co-sponsor this legislation or have any questions, please contact Roanna Thawley at (614) 466-8134 or [Roanna.Thawley@ohiohouse.gov](mailto:Roanna.Thawley@ohiohouse.gov). The deadline to co-sponsor is COB, Monday, January 30, 2017. Thank you for your consideration.
